

KIK & ROSEWOOD

BEWILDERMENT • CHAOS • CURIOSITY

MEET YOUR HOSTS

KEVIN ROSEWOOD

Meticulous, articulate, and endlessly curious, Rosewood believes every mystery has an explanation. His experiments are carefully constructed, his surroundings meticulously arranged, and his confidence rarely misplaced. That is still Kik arrives...

JOHN KIK

Rosewood's unpredictable colleague, collaborator, and occasional menace.

Mischievous and curious, he has a remarkable talent for turning Rosewood's carefully constructed plans into something altogether stranger.

TOGETHER

The impossible isn't merely something to witness.
It's something to experience

Kik & Rosewood forge theatrical experiences where the
impossible happens, and the unknown thrives.

Combining sophisticated illusion, storytelling, comedy,
character, and a touch of the macabre, the duo transports
audiences to a place where curiosity is rewarded, certainty is
questioned, and the impossible becomes possible.

THE EXPERIENCE

Kik & Rosewood forge theatrical experiences where the impossible happens, and the unknown thrives.

From the moment the audience enters their world, the ordinary begins to feel slightly unfamiliar. A candle flickers. A story unfolds. A seemingly innocent moment takes an unexpected turn. Before long, the audience is no longer simply watching a performance. They are part of it.

Combining sophisticated illusion, storytelling, comedy, character, and a touch of the macabre, Kik & Rosewood create evenings that move effortlessly between wonder and absurdity, elegance and chaos, laughter and unease.

Audiences may laugh, gasp, question what they have seen, or find themselves caught somewhere between belief and disbelief. No two evenings are quite the same.

With Kik & Rosewood, the impossible isn't merely something to witness. It's something to experience.
